I would say to a real sweet girl but I do not tell a lie. (HA!) No really you are real sweet & crazy. I know we haven't got along as well as me and Cindy but what do expect. Your a year younger. I don't know why I like Cindy so much but I do. You and her have gone threw some really rough times but you pulled through it. I would do anything for either one of you. So if you ever need a friend to talk to or just anything. You know who I am.

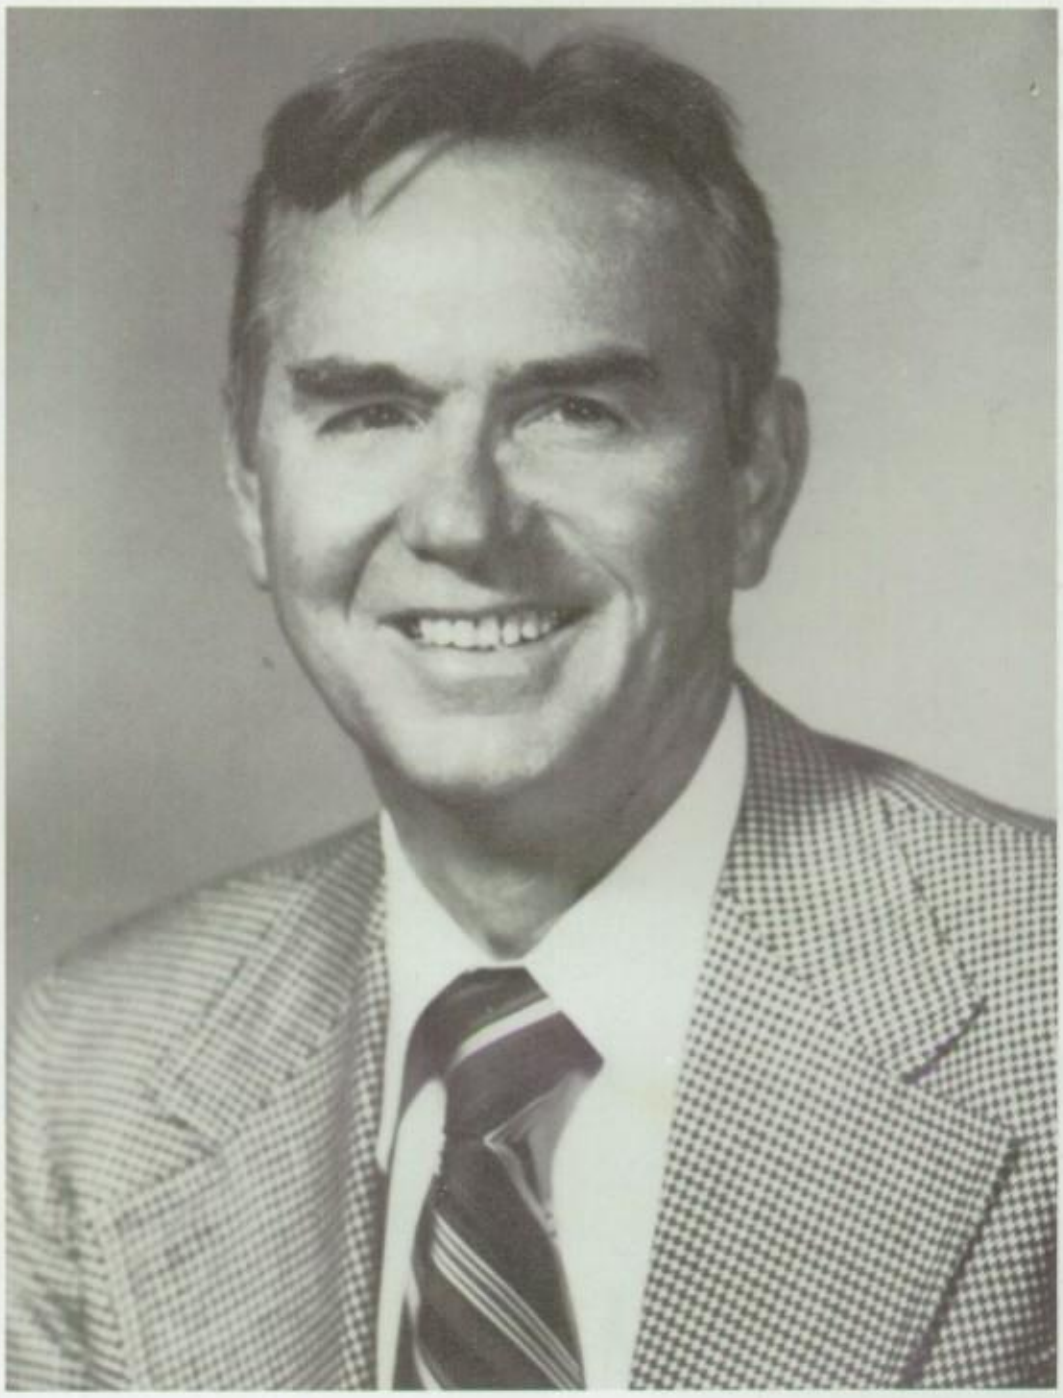
Newport High School Newport, Arkansas

DEDICATION

John W. Mullins,

Superintendent Retires After Twenty-one Years



We proudly dedicate the 1984 Lakeside to Mr. John W. Mullins. Having served as superintendent of the Newport Special School District from July 1, 1962 to June 30, 1983, he dedicated twenty-one years of his life to the students of the Newport school system.

During his tenure as superintendent, he was able to make many improvements in the school plant and equipment. First, in 1964, the north wing was added to the existing building and the Music Building was erected on the Senior High Campus. The next year a lobby was added to the gym. The south wing, containing math, art, and language classrooms and nurses' and counselors' offices, was added in 1968. By 1972, the Technical Science Building, four new Junior High classrooms, and additions to both elementary schools were built. The Greyhound Fieldhouse was opened in 1981 and the Agriculture Building in 1983. In spite of the extensive additions to the school plant, Mr. Mullins, who found the Newport Special School District in debt, left the system in sound financial condition.

During the turbulent years of the sixties, the Newport schools remained calm and disciplined because of Mr. Mullins' strong hand. Many of the changes now being recommended by the Education Standards Committee, such as requirement of longer school days and five solid subjects and noninterference of extracurricular activities, have long been in effect in Newport. Indeed, Mr. John W. Mullins was a superintendent with ideas far ahead of his time.

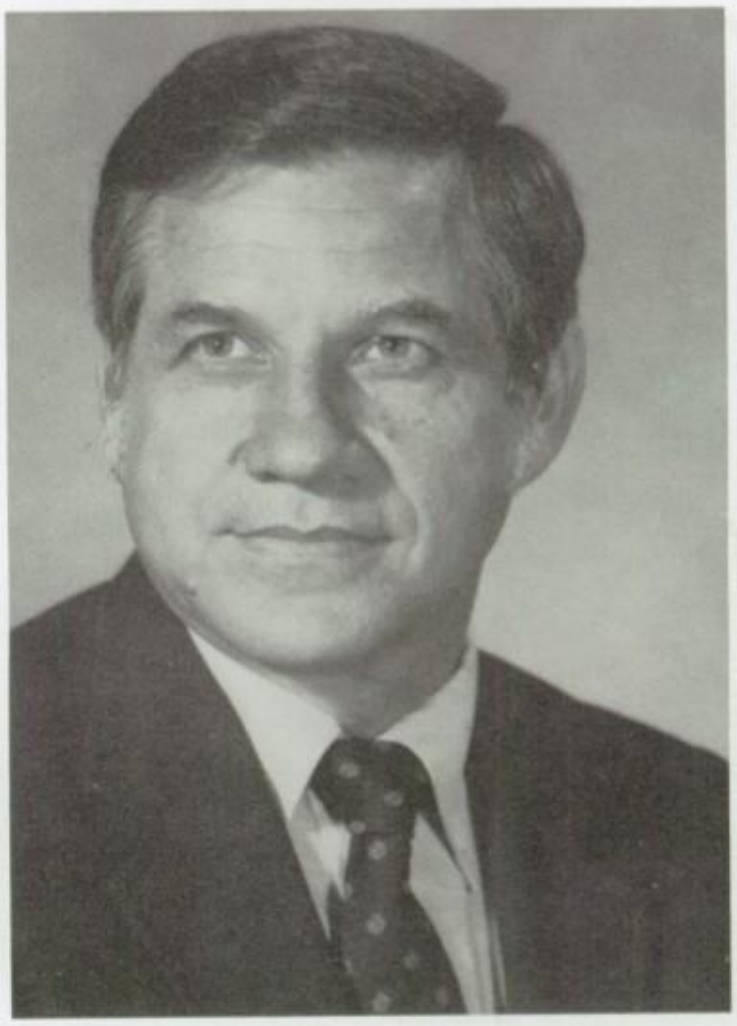
Board of Directors for Newport Special School District:
Seated: Mrs. Ann Ashley, Secretary; Mr. John Fincher, Superintendent; Mr. David Owen Burton, President;
Standing: Dr. Michael W. Brown; Mr. R. Dorsey Wilmans; Mr. James Martin II, Vice-President.

NHS GETS



Mr. John Fincher joined Newport Public School on July 1, 1983, as its new superintendent of schools. "I am very pleased to be associated with the Newport School System," he says, "and trust that we may continue the fine tradition of the school."

He comes to Newport from the Monticello School System, where he was Assistant Superintendent in charge of personnel and curriculum for eleven years, from 1972-83. He first came to Monticello in 1971 as high school principal after holding that position in Parkin High School for seven years. He was also an elementary principal in Parkin for two years. Before entering administration he was a coach in Parkin.

Mr. Fincher received his Bachelor of Science in Education degree from Henderson State College in 1956 with majors in social studies and physical education. He received his Master of Science in Education degree from Arkansas State University in 1961 with a major in Administration and did advanced study in administration at the Universtiy of Tennessee.

After twenty-four years as principal of Newport Senior High, **Mr. Billy R. Wiggins** has become Administrative Assistant to the Superintendent in charge of maintenance, lunch rooms, buildings and grounds, uncertified personnel, and other administrative duties. Mr. Wiggins first came to Newport in 1951 as a coach after coaching in Mena and Turrell. He was also junior high principal from 1955-1959. "New job, new challenge," says Mr. Wiggins of his new post.

Mr. Wiggins holds a B.S.E. degree from Arkansas State Teachers College (now UCA) and an M.S.E. in Administration from the University of Arkansas. He also did advanced study in administration at Arkansas State University.

Newport Senior High's new principal is **Mr. Earl T. Walton,** who was principal of Newport Junior High from 1981-1983. Before coming to Newport, Mr. Walton taught social studies and physical education at Cross County High School, Paragould High School, and the Memphis City Schools. Of his new assignment, he says, "The position is the most challenging of any I've held, but also the most rewarding. 'Tribulation worketh patience.' "

Mr. Walton holds a B.S.E. degree in social studies and political science from Memphis State University and a M.S. in Administration from Arkansas State University.

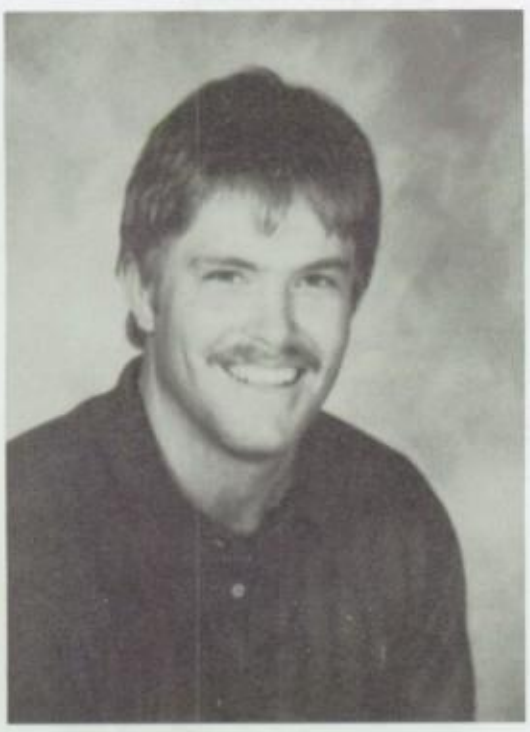
NEW FACES

Miss Cureton

Mrs. Judy Cureton
English II
B.S.E., Arkansas State University
"I enjoy the creativity and sensitivity of my students toward their own work, as well as to the work of world authors."

Miss Linda Kunkel
General Science
B.S.E., U.C.A.
"I enjoy the students as well as the challenge of teaching. Teaching is so totally different from anything else I have done it would be difficult to specify just one or two differences."

Miss Kunkel



Coach Mathis

Coach Ritchie Mathis
Physical Education, Assistant Coach
B.S.B.A., B.S.E., U.C.A.
"I have one of the best assistant football coach's jobs in Arkansas. I really enjoy the people and the students I work with. Newport is different because the program here is sound and has a winning tradition.

Mrs. Sharon Messer
B.S.E., M.S.E.; A.S.U.
Reading and Study Skills
"I have taught in the U.S. Army Education Center in Schweinfurt, Germany, and at Southern Baptist College. I am enjoying my work at Newport and hope my students find the reading course beneficial."

Mrs. Messer

Mr. Odom

Mr. Troy Odom
Graphic Arts, Printing, Journalism
Graphic Arts, Petit Jean Vo-Tech
"I've worked in printing production since my graduation from Vo-Tech and have always enjoyed showing others what I have learned. Teaching is a lot different from actually working in the printing field in that I have to do more thinking and planning."

RICHARD WETHERSPOON
(1961-1982)

"Yea, though I walk through the valley of the shadow of death, I will fear no evil, for thou art with me; thy rod and thy staff they comfort me."

— Psalm 23:4

Richard Wetherspoon, the son of FFA sponsor Mr. Melvin Wetherspoon and Mrs. Wetherspoon, was an active member of the Newport FFA Chapter when he attended Newport High School. He also taught Sunday School at St. Paul's A.M.E. Church and Maple Chapel, where he was also a member of the Junior Choir. He cared greatly for all people, and in turn, all those who came in contact with him loved him. Richard was taken from us very untimely on December 26, 1982. He will be deeply missed by his family and friends.

ASHLEY WHITAKER KEEL
(1963-1983)

Ashley Keel, the son of Mr. and Mrs. John Keel of Ingleside, a 1981 graduate of Newport High School, was a ray of sunshine in everyone's life. His senior quote, "Don't put off for tomorrow what you can do today, because if you enjoy it today, you can do it again tomorrow," expresses the contagious enjoyment of life which he spread to others. An active member of FFA, he was a member of the parliamentary procedure team and was president during his senior year. He was also a member of French Club for three years and was a trainer for the football team. His senior class voted him Mr. Lakeside. After high school Ashley attended Hendrix College, where he was majoring in business. Although his short life ended July 5, 1983, he is still in the hearts of all those who knew and loved him.

STUDENT COUNCIL

WHAT IS STUDENT COUNCIL?

Student Council is a group elected by the entire student body to serve as a communication link between students and administration.

WHAT QUALIFICATIONS ARE NECESSARY TO RUN FOR STUDENT COUNCIL?

The student must have a "O" average in all academic subjects and no grade below a "B" in citizenship. The student should also maintain good standing in disciplinary matters.

WAS STUDENT COUNCIL ACTIVE IN 1983-84?

This year the Student Council attempted to do several new things. The year began with a back-to-school assembly with speeches by the council's officers. The Project Committee began work by encouraging students to use their suggestion box. Several suggestions were considered and out of these, a band and choral Christmas concert, basketball assembly, and other assemblies were planned. The council took responsibility for the marquee in front of the band building and on it posted the events of Newport High clubs and teams. Student Council also helped the needy at Christmas.

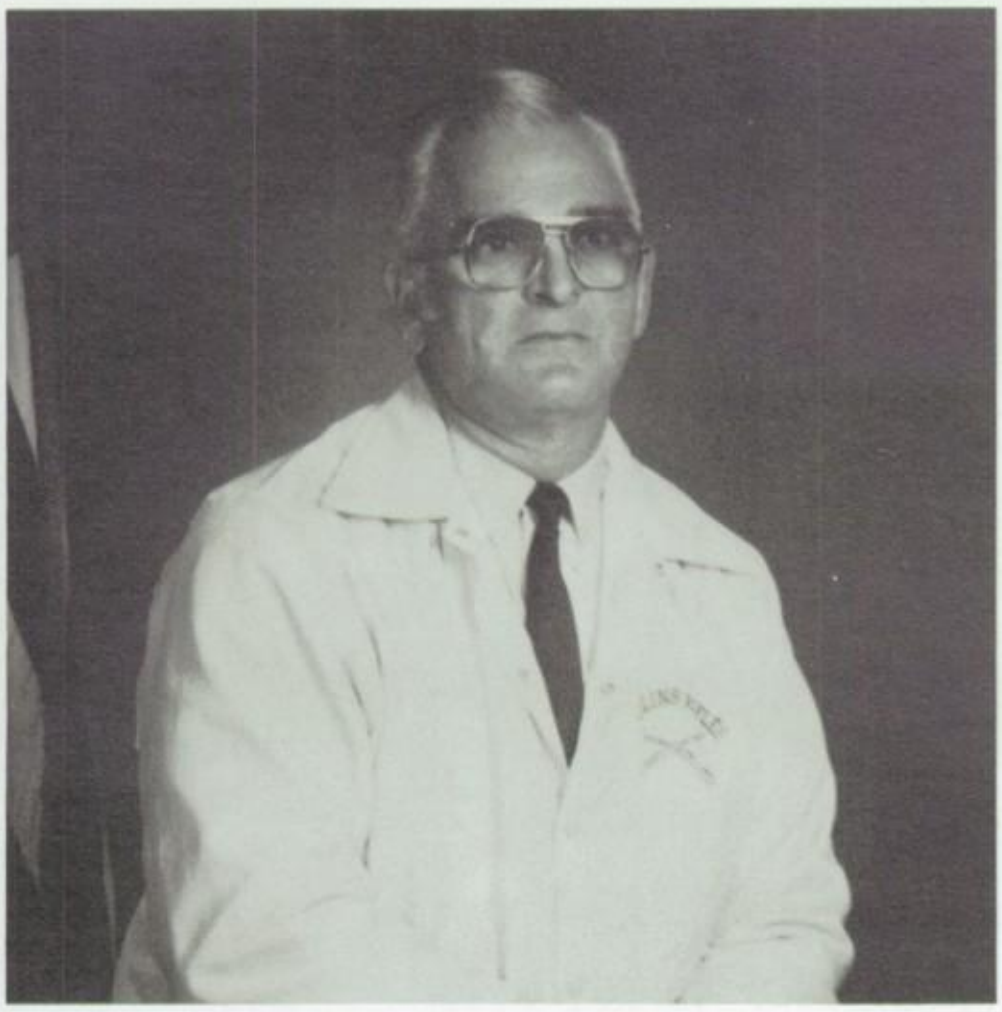
JROTC



Lt. Col. Hershel G. Jones

1931-1983

Lt. Col. Jones was a big man in every respect. Not only did he stand 6'4" tall and weight 280 pounds, but also he was a *BIG MAN* in the operation of Newport High School.

Lt. Col. Jones served his country with great loyalty through 21 years of active military duty in such places as Germany, Korea, Vietnam, and Alaska. He then came to NHS and served this school with the same loyalty from July 1, 1976 to April 5, 1983. Besides helping with our football and basketball games, serving as a last-minute bus driver when no substitute could be found, and being most effective in the supervision of our campus, Lt. Col. Jones led our J.R.O.T.C. program to become one of the best in the state.

It is with these thoughts in mind that we respectfully dedicate this portion of the 1984 Lakeside to Lt. Col. Hershel G. Jones, our BIG MAN.

BEING IN JUNIOR HIGH IS . . .

. . . spelling units week after week

. . . when you pray you'll get a top locker and you end up with a bottom one

. . . never seeing your ninth grade friends

. . . blowing your money at the show you've seen ten times

. . . watching the clock

. . . running to class and walking to the tardy office

. . . like climbing an enormous mountain —
IT'S A LONG WAY TO THE TOP!!

Honors students in both seventh and eighth grades are eligible to take a new one semester course called Citizenship in Action, taught by Mrs. Phyllis Gregory. This course deals with such subjects as basic duties of citizenship, the consequences of crime, and the attributes of a good citizen. Students of this class and other NJHS students who wish to participate may take a tour of Washington, D.C., Williamsburg, and Jamestown this summer under the guidance of Mrs. Gregory and Miss Vicki Williams, NJHS counselor.

NJHS ADDS NEW HONORS COURSES

Honors Science, taught by Mr. A.J. Burton, was offered for the first time this year to eighth graders who had maintained A's and B's in seventh grade. According to Mr. Burton, this class not only did more work than regular classes but also did more advanced chemistry than they did.

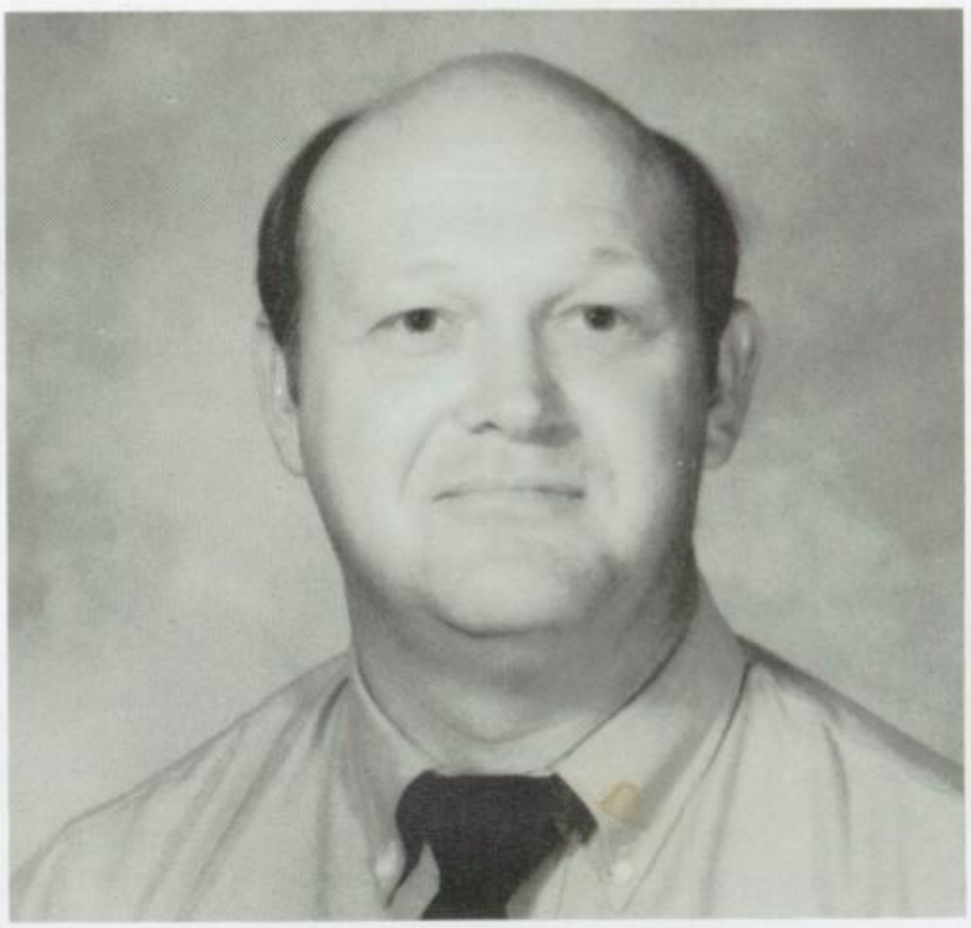
NJHS Faculty Initiates Honors
Classes in Science, Citizenship

NEW FACES

Mr. Rick Rana is Newport Junior High's new principal. Mr. Rana comes to Newport after working in River Oaks School, Monroe, Louisiana; Shreveport Christian School, Shreveport, Louisiana; and the Monticello Public Schools. He holds a B.S.E. from the University of Arkansas and a M.ED. from Northeast Louisiana University and has done advanced graduate study at the University of Arkansas.

"I'm looking forward to working with a good faculty and staff at Newport Junior High School," Mr. Rana says. "I enjoy working with dedicated teachers who stress strong academic structure and good student control. Newport is different in that the entire school is sound and enforces rules of conduct."



Coach Kenny "Black
Athletics, P.E.
B.S.E., A.S.U.

"Teaching and coaching at Newport is the only job I really wanted. Newport is my hometown and I wanted to stay at home. I have really enjoyed working with the students and athletes here and am looking forward to next year."

Mr. Billy Madison
Band
Bachelor of Music Ed., A.S.U.; Master of Music, A.S.U.

"Teaching at Newport is a true learning experience for me. I began my education here several years ago and am pleased to continue learning as I TEACH."

Mrs. Beverly Tapp
Seventh Grade English
B.S.E., Arkansas State University

"It is energy — the central element of which is will — that produces the miracles of enthusiasm in all ages." — Samuel Smiles.

NJHS is proud to boast of its new orgainzation — KIDS IN ACTION. The idea to form such a group originated from the students themselves and their desire to improve the school. The group has joined together in an effort to rid the school of drug and alcohol abuse and promote better morale among all students. Their first project was an assembly on drug abuse presented by the Newport Police Department. They plan to receive ideas for improvements to the NJHS academic program and campus from the KIA Suggestion Box. The group is sponsored by Miss Vickie Williams.

Changing Times

At the beginning of this year, we didn't know quite what to expect. With a new superintendent and principal, we all wondered if things would change. There were a few changes: we came early so that we could have a thirty minute lunch; we got to have a Homecoming Parade along with the assembly; we got to have more assemblies, such as the Band and Choral concert; Senior privileges were different (but were they better?); and the biggie — Juniors planned the first prom at NHS in 18 years! But . . .

. . . some things never change. We still got excited about school, and we still loved and respected our teachers. And, of course, romance, friendships, and Senioritis will always be alive at NHS!

1984 was . . .

the year of the Olympics . . .

. . . and the flu.

It was a year for great commentators . . .

. . . great inventors . . .

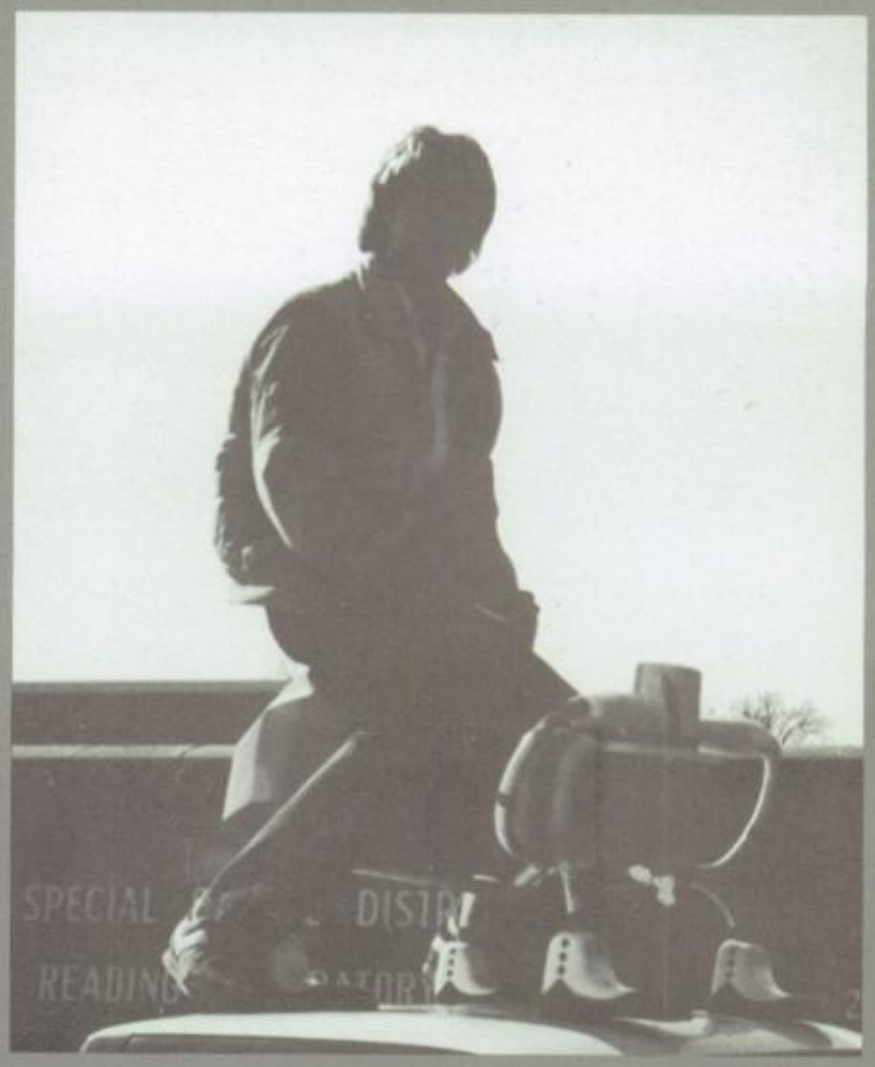
. . . high foshion . . .

. . . and great orchestras.

Jingle bell rock.

Chivalry is not dead.

All for one and one for all.



The love bug.

Practice makes perfect.

A happy couple

A most intriguing class.

Is Watching You!

Celebrate!

IT'S OVER!

It's over — selling ads and subscriptions, the planning, the dummies, the copy, the typing, the quadpaks, the crises over pictures lost or lacking, the deadlines, the panic — the Yearbook.

It's over. Enjoy it. Soon you can celebrate because it's over — the classes, the homework, the tests . . . and football, basketball, band, Whippets, ROTC, weights, tennis, golf, track, the play — everything . . . Romances and gossip and friendship — no, never! We *will* remember, even if it is *over* for now.

To a very sweet girl that I have enjoyed being around these last few weeks. I hope you will always have the very best in life cause if it was up to me you would have. You've brung alot of joy into me since we've been going together. I hope our relationship will last alot longer than any I've ever had. Even when we're far apart I will always think of you. You're very special to me and you always will be. Stay happy and keep smiling cause someone loves you very much.

Love you always,
Paul N. Friar

P.S. Be good while I'm gone to boot camp this summer.

Beth,

I'm glad I met you this year. The beginning of the year was great and I'm sorry about all the problems we've had lately, them straightened out. Good luck with Paul + everything.

Mae Carol Hulett

Beth,
You a very sweet & cute person. Stay that way & you'll go far in life!
